## SUMMARY

- Compete as professional photographers and be the first to snapshot photo assignments for your editor!

## SETUP

- Separate the Snapshot cards from the Assignment cards.

### Snapshot Assignment

- Separate the 8 unique Snapshot cards into 5 piles.
- Each player should take a Snapshot card pile.
- Discard any leftover Snapshot cards.
- Determine who goes first and play order.

## TURN

- On your turn, draw 1 Assignment card.
- Each Assignment card lists 3 things all players should look for in their Snapshot cards.

2

- Read the contents of the card and place the card face up so all players can refer to it.
- Your task is to read, referee, and verify that results are correct.
- The first player to arrange the 3 matching Snapshot cards in the same order as the Assignment card should yell out “Beach Slap!”
- This player should display their cards face up, side by side. If there is no tie, this player wins that round.
  - Side by side simulates a panoramic camera shot of the beach.
- Note: In the case of a tie, set aside the Assignment card as an extra prize for the next turn. Whoever wins the next turn gets 2 Poolitzer Prizes!
- The turn is over and players should collect their Snapshot cards. It is now the next player’s turn.

## EXAMPLE

- Example Assignment:
  - 1. Sand Castle
  - 2. Waterskier
  - 3. Juggler
  - The first player to lay out the Snapshot card with Sand Castle, then Waterskier, then Juggler and call out “Beach Slap!” wins that round.
- The winner turns over the Assignment card to reveal the Poolitzer Prize and keeps it.

### Assignment Poolitzer

- It is now the next player’s turn.

## WINNING

- The first player to collect 3 Poolitzer Prizes wins the game!
